G
I'm walking back from the Chinese Buffet
Em
I'm all alone.
G
I still thinking about last night
C D7
When I hung with you

G
Girl I can't get you out
Em
You're stuck in my mind
G
All that food doesn't help
C D7
That pain in my heart is still there

Chorus

G
Chinese Buffet
C
You are super fine
G C
I love a lot of food
G D7
But girl you're on my mind

G
Chinese Buffet
C
Not at a café
G
In a Chinese Buffet
D7
I fell for you

G
I'm walking from class
Em
I see you sitting there
G
I can't look you in the eye
C D7
So baby can't you understand

G
You looked up at me
Em
Then you look away
G
I look away too
C D7
Hooking up is so hard to do

Bridge

Am
So baby why don't we
Em
Grab each others' hand
Am
We'll run away to a far far land
D7
Where no one will know

Am
So baby when are we
Em
Going to stop pretending
Am
You only get one chance at love
D7
Let's at least try

Chorus

Verse

G
I see you walking with friends
Em
You look away from my eyes
G
I have a big dumb smile
C D7
As I hand you a CD

G
Your friends walk on by
Em
You and me are alone
G
I put out my hand
C D7
Then you take me in your arms.
